HELLO WELCOME TO *East Wick + Sweetwater*

A vibrant new cultural hub in the heart of East London. We're home to creators and makers, entrepreneurs and innovators, and like-minded businesses of all shapes and sizes. Sound like you? Then you've come to the right place!

Whether you're a budding start-up or a well-established brand, we've got a mix of 18 commercial spaces totalling 28,885sqft (2,683.5sqm) that have been designed with every kind of business in mind. As well as a strong business community, there's a growing residential community too.

In East Wick and Sweetwater there are over 1,800 homes in the making along with new schools, nurseries and community spaces, a huge addition to all that's happening across the wider area.

We're located in the iconic Queen Elizabeth Olympic Park, nestled right next-door to Hackney Wick and Fish Island, a stone's throw from Stratford, and surrounded by well-known commercial destinations like Here East and IQL.

We're also near East Bank, the new Culture Quarter, featuring UAL's London College of Fashion, a 550-seat theatre at Sadler's Wells and state of the art BBC music studios. V&A East will display its world-famous collections and collaborating with the Smithsonian Institution, it will establish its first London location.

Our neighbourhood is full of dreamers and believers, just like our next-door neighbours at Hackney Wick and Fish Island. This eclectic part of East London is home to over 250 artist studios and 100 creative businesses.

CREATIVITY IS IN OUR DNA

Both Hackney Wick and Fish Island have always been known for their creative vibe and now the area's been designated as a Creative Enterprise Zone, which is part of an £11 million London-wide initiative to provide affordable workspaces and job and training opportunities.

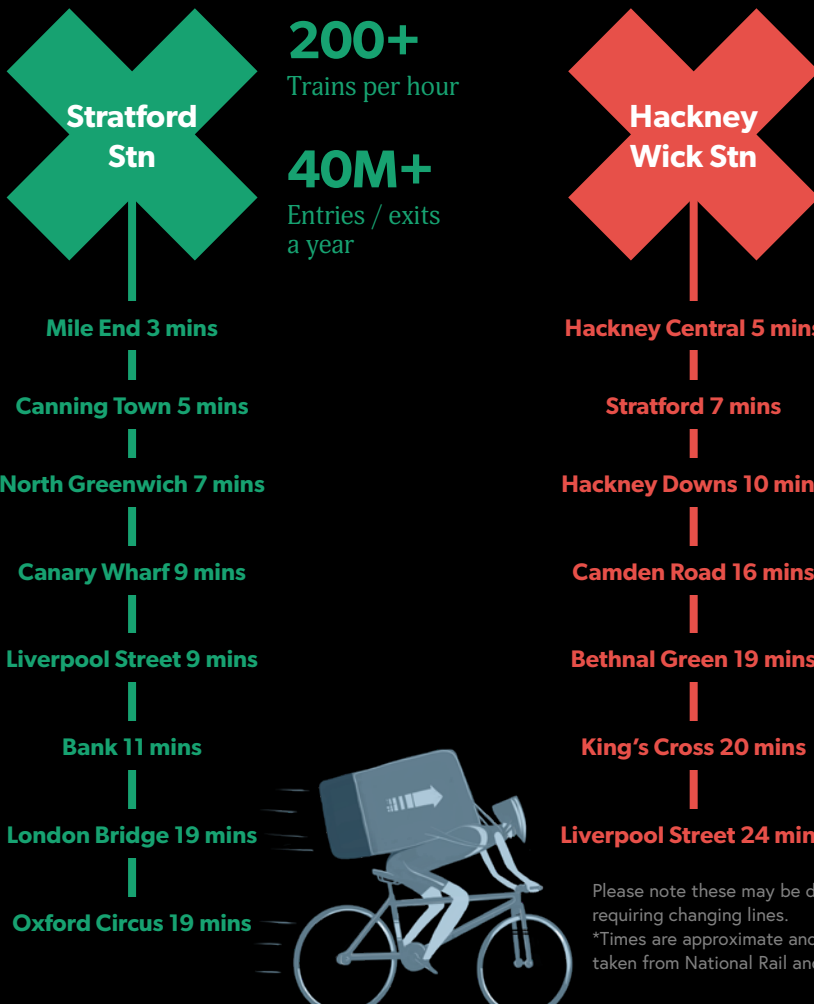

World famous entities such as BBC, UCL, London College of Fashion, the V&A and Sadler's Well will come together to create a new culture and education district for London; East Bank. Currently well under way, this new cultural hub is anticipated to bring an additional 1.5million visitors to the Park, create over 2,500 new jobs and is anticipated to generate £1.5 billion for the local economy.

The two new districts of East Wick and Sweetwater will bring over 1,500 new homes, as well as commercial, retail and community spaces to Queen Elizabeth Olympic Park, creating a new, diverse and vibrant community in East London.

The first phase of East Wick & Sweetwater has now been built complete, with 300 mixed tenure homes and 18 commercial spaces.

Pssst... Located on one of our later development plots, we've brought in Makeshift's meanwhile use wonders at Hackney Bridge. They will bring a mix of workspace and studios for artists, makers and small businesses; as well as space for food businesses, retailers and markets. They are aiming to complete by the end of 2020. The community is already growing!
