Dear Resident,

Ref: CRWT0575: East Wick & Sweetwater Specified Infrastructure Works

We are writing to give you an update on the construction works to H14 Monier Road Bridge.

During the day on Friday 30th July 2021, the main section of the bridge will be opened to pedestrians and cyclists. Work continues on the south and north sides of the bridge, and these will also open at a later date.

The bridge will be fully open to buses at a later date, which will be confirmed in due course once works at the eastern end of the bridge are complete. In the meantime, there will be temporary signs installed to help people crossing the bridge when they reach the Park, as well as a map of the area. The new landscaped areas on the Park side of the bridge will also open this week.

We thank you for your understanding and cooperation whilst Balfour Beatty's Specified Infrastructure Works continue on behalf of the London Legacy Development Corporation and its appointed developer, East Wick and Sweetwater Projects. Our infrastructure works support the delivery of East Wick and Sweetwater which includes the construction of new homes, schools, commercial and retail developments.
